**Informal Comments of the Bureau of the Budget  
Based on a Review of the Draft "Report of the Survey of  
Intelligence Needs and Assets of the USIA"**

1. (Tab B, Page 1, Paragraph 1A). Strike the period at the end of this paragraph and add:

**"and insure the adoption within USIA of adequate procedures for the use of such intelligence or intelligence information."**

**(This suggestion is related to the recommendation respecting USIA's security practices contained in Part 3, paragraph f, page 10.)**

2. (Tab B, Page 4). Add a new Paragraph E:

**"Requirements and Planning Staff. Assists the Director of the USIA Intelligence Organization in setting requirements for and planning the production of research to be produced by the intelligence organization."**

**(This staff would be composed of the chiefs of the four Intelligence Organization divisions, and would have a small executive secretariat. In terms of the "organizational chart," Annex A to Tab B, it would be inserted between the Deputy Director and the four divisions.**
